#### Newsletter: Term 3, Week 3, 7th August 2020

Kia Ora Koutou,

We have had three great weeks to start Term 3. There is a very excited buzz around the school as we get into the swing of our production planning and preparation. It is looking like our performance will be in Week 9 of this term.

#### **Cross Country**

It was wonderful to see so many of our families on Wednesday enjoying our exciting school Cross Country supporting your children's efforts. It was such a beautiful day, not sunny how we would have liked, but warm with no wind; Perfect conditions to showcase our students trying their best.

Congratulations to all our tamariki for setting personal goals and attaining those. A special 'well done' to our fantastic place getters who we were able to celebrate in the certificate assembly today. For those Year 4-6 students selected for the Zone Cross Country, the hard work goes on as they prepare for this event at Barge Park which will be held on the 28th of August. Thank you to all our teachers for implementing Physical Education programmes to prepare our students. A big thank you to Mr. Higgison for organising another impressive Cross Country event.

#### Slow Down Around Schools

Please remember to drive at a safe speed around our school: this makes it safer for everyone. This includes being safe in all the streets around our community. If you are dropping off or picking up, do think about where you park and if it is a safe position for all. Many thanks for caring for our tamariki.

#### COVID-19 and On-Going Health Precautions for Term 3

As we remain in Alert Level 1 and there continue to be cases of COVID-19 arriving in the country, it is vital that we keep up our hygiene routines. Please remind your tamariki about the importance of washing/sanitising hands and sneezing/coughing into their elbows. Also, if your child displays any symptoms please keep them home until they are symptom free. If your child does display any symptoms, it is recommended that they get tested for COVID-19 as a precautionary measure.

#### Matariki in the 2<sup>nd</sup> to last week of Term 2.

It was a wonderful day filled with celebration and many different activities. Tuakana teina was strongly evident throughout the school with our Rangitahi teaching others skills in many fun-filled activities. It was a wonderful day of sharing and celebration. Special thanks to Room 1 for organising such a wonderful event. Ka pai!

Enjoy your weekend

## Jaggers' Visit

On Thursday last week, Eric and Barbara Jagger came to our school for a farewell visit before they left for town. The Jaggers' have done a lot for this school

over many decades - we use their land for events like Funky Fishing and Wild Kiwi. They talked to us about

what school was like in the 1940s and showed us a few photos. Barbara was an 'Office Girl' in the 1980s prior to Joy taking up the role. We planted a kowhai tree to remember them.

# ... Cross Country...

On Wednesday Whangarei Heads School had their annual Cross Country event. It was amazing to see all those kids having fun. After the morning fog lifted, the sun came out. There was just the right amount of mud for a cross country event.

It was great to have so many parents back at school after lockdown. We want to thank Heads Up Adventures for their generous donation of coffee which was much appreciated by the parents! Thanks to Whaea Belinda (R1 student teacher) for organising this and getting her sister Bianca in to help.
